The Daily Press.
HONGKONG, APRIL 29th, 1886.

There is now no longer any doubt that the
contemplated British Mission to Tibet will
be duly despatched. The Indian papers
state that the Mission will set out from
Darjeeling for Lhasa about the end of next
month. Mr. COLMAN MACAULAY, who re-
cently passed through here on his way to
Peking to interview the Chinese Government
on the subject, and from whom he obtained
satisfactory passports to the Lamas, has ap-
propriately been selected for the position of
head of the Mission, and he will have with
him Mr. PAUL as Secretary, and Dr. OX-
FORD as Scientific Member and Medical
Officer. Colonel H. C. B. TANNER will prob-
ably accompany the Mission as Survey Of-
ficer. The party will travel through Sikkim
and Mt. Shigatse, and will have an escort
of some twenty sepoy under the command of
a military officer. It is believed that no
serious difficulty will be encountered by the
travellers, so long as they are armed with
this open escort of the Imperial Chinese Gov-
ernment. The Tibetans are unquestion-
ably hostile to all foreigners, and they turned
back poor Cooper with scant ceremony.
They also objected to the progress
of Colonel PATER and his Co. Cassids,
and succeeded in preventing him from enter-
ing Lhasa. They do not, however, oppose
obstacles to the passage through their territory
of the Nepalese Embassy when armed with
Chinese passports, and it is to be hoped that
Mr. MACAULAY will experience no difficulties,
beyond those which nature interposes, in
entering the mysterious land of the Dalai
Lama. The Canton correspondent of our
Shanghai morning contemporary, it is true,
credits TSEN YU-TING, the Viceroy of the
Yün-kwei, with the ability and the dispo-
sition to stay the march of the British
Mission to Tibet. We do not think there
is much cause to fear such interference from
the Viceroy of the Yün-kwei. In the first
place this Mission will not pass through any
part of Yunnan, and thus will not be likely
to attract Tsen's attention like Colonel
HORACE BROWN'S mission through Burma
in 1875 did. Of course it might be possible
for His Excellency Tsen to excite some of the
Tibetans on the borders of Yunnan by
misrepresentations, but it is most unlikely
that he can exercise any influence on the
Chinese Resident in Tibet, who ranks on an
equality with him, and who will be bound
to carry out the Imperial mandates. The
Viceroy of the Yün-kwei is not even in direct
communication with the Chinese Resident
in Tibet, for the latter has his chief re-
lations with the Viceroy of Szechuen, with
whom he corresponds on terms of equality,
and upon whose exchequer he draws for the
costs of the Residency. There is an As-
sistant Resident and a number of lesser Chi-
nese officials, together with a Chinese gar-
rison of the nominal strength of 1,500,
drawn from the provincial forces of Szechuen.
The administration of the Government in
Tibet is placed in the hands of the Dalai
and Panchen Lamas aided by a Council
of four laymen, Ministers of State, under
the direction-in-chief of the two Imperial
Commissioners or Residents. It will thus be
seen that the control of the Chinese Govern-
ment over Tibet is not nominal but actual,
and that its representatives there are not in
any way subordinate to an intriguing pro-
vincial satrap such as TSEN YU-TING is re-
presented to be by the Canton correspondent
of the *N. C. Daily News*. The Viceroy
of the Yün-kwei may be as diabolical
and as untrustworthy as he has been repre-
sented, and it might be a good stroke of
policy to relieve him of his post in that case,
but we do not believe the Peking Authori-
ties will allow him to embroil them in a new
difficulty with either England or France,
much less to interfere with a friendly Mis-
sion to Tibet. Whether the hopes of re-
nunciatory trade springing up between In-
dia and Tibet through Sikkim are destined
to be realised is another question, concern-
ing which it will be well not to be too sanguine,
but it will be at least a point gained
if Mr. MACAULAY succeeds in opening this
jealously guarded country to Western knowl-
edge and civilization, however slowly they
may make their way into it. The fact that
the Chinese Government so readily granted
the passports for the Mission is also a sat-
isfactory proof of their confidence in the good
and friendly intentions of the British Indian
Government. We trust this confidence and
good will may increase and lead to the

steady growth of commerce and interchange
of courtesies between the two great empires
of Asia, to their mutual profit and progress.

The meeting of the Legislative Council
yesterday afternoon was very brief, but mea-
sures of some importance were introduced.
The announcement that a Bill is to be in-
troduced for the regulation of the Harbour
will certainly be hailed with satisfaction by
those who suffer from the present state of
chaos, for regulations of some kind are
urgently required. As the Bill has not yet
been printed we are unable to comment on
its provisions. The Bill to prevent the sale
of spirituous liquors on board ship is also a
much needed measure. This also has not
yet been printed, neither has the new Va-
cancy Bill. In relation to the latter it will
be remembered that a Bill with the same
title had already passed its second reading,
but that Bill has now been dropped and a
new one introduced. Although we have had no
opportunity of seeing this new Bill we un-
derstand the unofficial members have achieved
a signal triumph in saving the Manila lottery
and other public lotteries from its operation,
the clause dealing with this subject not
being included in the new Bill. We could
have wished that the triumph had been
achieved in a better cause. The other new
Bill, that relating to reformatory schools,
will also probably prove a useful measure.
It would be well, we think, if the Bills were
all printed before they are introduced, so
that as long a time as possible might be
allowed for public discussion on them. The
Standing Orders require that they should be
printed before they are read a first time when
possible, but apparently it is never found
possible. Where the impossibility lies we
are at a loss to know.

The French gunboat *Viper*, Commander
de Lapeyrie, left Amoy on the 21st inst. for Chefoo.

The British double-screw gun-boat *Midg*,
Commander de Rouville, arrived here yesterday
evening from Canton.

The *Zebrone* Echo says:—The Government
Coal Mine at Kelang, if we are correctly in-
formed, is to be opened shortly.

The racing boats Moon and Tennessee, which
were sold by auction at H. D. M. Location, 22nd
inst., fetched \$120 and \$80 respectively.

We learn from the Agents (Messrs. Russell &
Co.) that the *Zebrone* Echo, which left Sydney for
this port on the 24th inst.

The Agent informs us that the Messageries
Maritimes steamer *Tangier*, with the next out-
ward French mail, left Saigon at daylight yester-
day for this port.

Messrs. Siemens & Co., the Agents, inform
us that the British steamer *Hawthorn*, from
London and ports of call, left Singapore for this
port yesterday morning.

We are informed by the Agents (Messrs.
Butterfield & Swire) that the Ocean Steamship
Company's steamer *Hecla*, from Liverpool, left
Singapore for this port on Tuesday afternoon.

The Singapore tramway is to be opened for
public traffic from the junction of the Pagar Road
and the Esplanade at 3 o'clock on the 30th inst.
Read as far as Elgin Bridge on the 3rd proximo.

We are informed that in anticipation of the
opening of the 1886-1887 tea market a fair cargo
of tea has arrived by the *Thales* from Foochow,
and as the tea is said to cost 3s 3d per picul,
it will lay down at 3s 3d per picul in London.

A telegram has been received here from Mr.
Haughton, engineer to the Penang Gold Mining
Company reporting the outbreak of the sample
shipment of opium to England for analysis to
be eighteen penny-weights to the ton, which is
considered very satisfactory.

From the report of the German steamer *Antos*,
which arrived here yesterday morning, it will be
seen that this steamer is drifting along with
the water dangerously in the way of vessels com-
ing from the Esplanade to the Esplanade, and
thence to the Esplanade, and thence to the Esplanade.

The Indian Government has drawn the attention
of His Majesty's Secretary of State for India
to the state of exchange as being the chief
source of anxiety in India, and has earnestly
pressed upon him the necessity of seeking
in concert with the Government of the United
States of America, for a solution of the
silver difficulty.

The *Singapore Times* of the 9th inst. says:—
Mr. J. G. Scott, (Sherry) formerly head mas-
ter of St. John's, arrived in Hongkong last Sat-
urday by the mail steamer, and proceeded on Mon-
day evening via Hongkong to Shanghai, in order
to attend to the duties of his office. He has re-
ceived an appointment as Commissioner, and all
who know him congratulate him heartily, and wish
him every success.

According to Messrs. T. Watson & Co.'s
report, the total export of tea from Calcutta to
the United Kingdom from 1st January to
31st March 1886, was 1,861,593 lbs. compared with
\$919,115 lbs. in the same period last year, and
9,657,290 lbs. in the corresponding three months
in 1884. The export to Australia and New
Zealand was 1,861,593 lbs. compared with
\$919,115 lbs. in the same period last year, and
9,657,290 lbs. in the corresponding three months
in 1884. The export to Australia and New
Zealand was 1,861,593 lbs. compared with

9,657,290 lbs. in the corresponding three months

A Malay dwarf who was a slave in the service
of a Rajah in Dutch territory managed to es-
cape recently, and a servant of the Rajah, who
happened to meet him in Singapore, gave him
a letter to the Dutch Consul at Singapore. The
Dutch authorities communicated with the Dutch
Consul at the Netherlands, who the *Singapore*
Free Press hears, does not intend to take
any steps in the matter. The little man is a
pale shadow of the dwarf he is and is now at
liberty.

It will be remembered that over a month ago
Mr. Weller, of the P. & O. Company, instituted
two Chinese fire launchers, charging them with
causing damage by persistent and unrelenting
bombardment of the P. & O. Company's steamers
at their wharf near the P. & O. Office. The
case was remanded from time to time, and was
at length concluded yesterday, when Mr. Maclean
declared that the defendants had been of good be-
haviour for twelve months.

Marine Police Station and an inquiry was in-
stituted into the case of a Chinese fire launch
